Japan. Endless Discovery.

Conference | Niseko Chomin Center

Niseko's foremost conference facility - Niseko Chomin Center

The Niseko Chomin Center operates as a conference and convention centre while also serving as a community centre.

Location

Niseko Chomin Center is located in the business district of Niseko Town and is minutes away from the Town Council Chambers and Niseko's only International School. It is a short 15 minute journey from the extensive selection of accommodation and the Ski resorts in the district.

Meeting Rooms

Our meeting rooms are designed to be comfortable and multi-purpose, allowing each event to be specifically tailored to meet your needs. Our professional team will help you make your meeting or conference successful and productive and your special event memorable.

- All meeting rooms have wireless internet facilities. (fiber optic cabling)
- 4 large meeting areas, 1 area with a full stage, 3 smaller meeting rooms
- 2 Japanese-style rooms for cultural activities or a cultural event.
- Library facilities, supermarket, post office, Japanese-style izakaya restaurants and bars etc all within 5 minutes walk.
- Centre Management can provide local business solutions to ensure the success of your conference.

It was a great week. It was a great event. Sad to say goodbye to everybody. We all hope to see everybody again at another WASC in Niseko very soon.

(World Airlines Ski Championships in Niseko, Japan via Facebook, March 2012)

Green Venue

The Niseko Town Chomin Center has been designed as an eco friendly facility and makes extensive use of the latest environmentally friendly technology.

Lighting is provided by energy efficient LED lighting and electricity is self generated by smart solar panels, which are mounted on the roof.

Air-conditioning and heating is supplied by a ground heat source heat pump system.

The flooring and wall coverings and glazing have been kept natural as possible and have been chosen because of their energy giving properties.

A lot of thought went into the reduction of the carbon footprint of the building, so that you can plan a meeting or conference with less environmental impact!
